The information and request for withdrawal of the holding of abandonment, filed December 9, 2004 is acknowledged.

A review of the application reveals that a Notice of Abandonment was mailed to the applicant on November 29, 2004. The notice incorrectly indicated that the instant application was being held abandoned for failure to respond to the Non-Final Office communication (mailed on May 24, 2004). A timely filed amendment with a two-month extension of time (37 CFR § 1.136(a)) was filed on October 14, 2004 bearing a certificate of facsimile transmission of October 14, 2004. Accordingly, the amendment/response was timely filed.

In view of these facts, the abandonment of the application was clearly in error and is hereby **VACATED**.

The application is being forwarded to the Supervisory Legal Instruments Examiner with instructions to **WITHDRAW** the holding of abandonment, restore the instant application to pending status and to charge the \$430 fee to deposit account **50-1290** for the two months extension of time for filing of the October 14, 2004 amendment. The application will then be forwarded to the Examiner of record for prompt action on the merits.

Inquiries to this decision may be directed to Special Programs Examiner Brian Johnson at (571) 272-3595.
